Piedmont, SC 29673, for a Class E) ORDER NO. 92-351

and Necessity.)

This matter is before the Public Service Commission of South Carolina (the Commission) on the Commission Staff's request to amend page 11, paragraph 1, of Order No. 92-351, to correctly reflect the authority granted by the Order. While page 1 of Order No. 92-351 correctly states that Underwood Hauling, Inc. (the Applicant) is seeking a Class E Certificate of Public Convenience and Necessity to transport liquids, in bulk; and dump truck commodities, as defined in R.103-211(13): between points and places in South Carolina, page 11, paragraph 1 of the Order grants the Applicant a Class E Certificate of Public Convenience and Necessity to transport liquid asphalt and dump truck commodities between points and places in South Carolina.

The Commission granted the Applicant's authority as requested. Accordingly, the Commission Staff asserts page 11, paragraph 1, should be amended to read as follows:

JUNE 9, 1992
PAGE 2

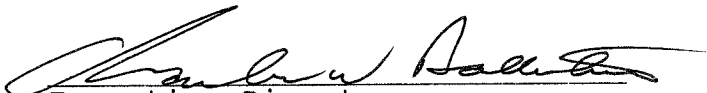

1. Underwood's Application for Class E Authority to transport liquids, in bulk; and dump truck commodities, as defined in R.103-211(13): between points and places in South Carolina is hereby approved.

The Commission agrees. Therefore, paragraph 1 of page 11 of Order No. 92-351 is hereby amended consistent with the terms of this Order.

IT IS SO ORDERED.
